

THE 13TH ANNUAL PINK TOURNAMENT

BREAST CANCER AWARENESS TOURNAMENT

SEPTEMBER 8 & 9, 2018

October is National Breast Cancer Awareness Month, and the Susan G. Komen has put forth the *Passionately Pink for the Cure™* program. More than the color for breast cancer awareness, pink represents the promise between two sisters to find a cure for breast cancer.

That promise started the Komen Foundation and ignited the passion of millions to create a world without breast cancer. The program encourages companies, schools and organizations to take that promise, make it their own, and make a difference by supporting breast cancer research, education, screening and treatment.

Pink Ribbon Softball, Inc. proudly announces the **13th Annual PINK Breast Cancer Awareness Tournament**. In its inaugural year (2006), the tournament raised **\$8795** for the Susan G. Komen – Central & South Jersey and the Princeton YMCA Breast Cancer Resource Center, and in 2007 exceeded the tournament goal by donating **\$24,200** to the charities. Not to be outdone, the 64 participating 2008 tournament teams raised and donated **\$40,000** to the breast cancer charities. The 2009 tournament saw the entry field climb to 72 teams, who, despite the recession were able to raise and donate over **\$42,000**. Encouraged by the previous year's donation total, the 2010 tournament numbered 78 teams who amassed **\$60,000** in donations to the charities. Continuing the tradition, the 82 teams entered in the 2011 tournament combined to present the tournament charities with **\$50,000**. The 2012 event also fielded 82 teams who endeavored to best the previous event's gift to the charities with a tournament donation of **\$60,000**. The 2013 entry field rose to 86 participating teams who destroyed all previous tournament records with an **\$85,000** donation to the charities. The 2014 event fielded 96 teams who demolished the previous years with a **\$92,000** contribution to the charities. 2015's event showcased 86 teams that presented the tournament beneficiaries with an amazing **\$82,000** donation. The 2016 tournament had 84 teams united in Playing for the **PINK** to donate **\$85,000** to the charities. In 2017, the **PINK** Tournament shattered all previous event records with 91 teams raising and donating **\$100,000** to our beneficiaries!

The 2018 tournament fundraising goal is to **exceed \$50,000** and we ask that you, your team and your team's families join in helping to reach that goal.

HOW CAN TEAMS HELP?

PINK is a fundraising softball tournament in which the participating teams fundraise for the tournament donation to local community breast cancer charities. Each team manager is asked to present to his or her team the idea of helping to support the cause, background information regarding Breast Cancer Awareness and to teach their team the importance of community support and involvement.

Participating teams are asked to fundraise additional donations beyond the minimum \$250 tournament entry fee and bring their team donation on game day. Tournament entry fee is intentionally kept low due to the fundraising requirement of the event. Contest prizes will be awarded to the **Top Fundraising Team** and the **Top Fundraising Player** in each division. For your reference, the 2017 Top Donating Teams and their prizes are listed on the next page.
